## **Dental Assistant - *Willing to train***

Are you appreciated, respected, and paid what you are worth? Are you a person who thinks ahead, enjoys the feeling of accomplishment, helping others and working with a team in a harmonious environment where everyone is a leader?

We have an opportunity for a dental assistant to join our five-star team! No experience is necessary. If you enjoy a fast-paced environment, learning and caring for others you may be just the person we are looking for!

We are a supportive, caring team whose purpose is to improve lives. This is a full-time position with benefits, continuing education opportunities and an environment encouraging personal growth.

Some of the responsibilities include:

- Working with patients and doctors to deliver comfortable, quality dentistry in a trusting environment
- Keeping high standards of infection control, sterilizing instruments and treatment rooms
- Taking x-rays
- Scheduling appointments
- Discussing financial information
- Working with computers/typing
